THIRD PARTY INFORMATION

MONKEY FACTS

- Monkey is a familiar name for a group of primate mammals.
- They live both on the ground and in the trees.
- Most monkeys have tails.
- Apes are not monkeys.
- Groups of monkeys are known as a mission, tribe, or troop.
- They have to stay away from animals like big snake, crocodiles, and leopards.

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Source: [Interesting Facts About Monkeys for Kids \(vedantu.com\)](https://www.vedantu.com/interesting-facts-about-monkeys-for-kids)

These monkey facts are displayed on the MonkeyFactsPage of my solution. I used these facts ethically as I did not copy the content word for word from the source.

LION FACTS

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Source: [Top 10 facts about Lions | WWF](#)

I used some lion facts from this source to display them on the LionFactsPage of my solution. I used these facts ethically as I did not copy the content word for word from the source.

GIRAFFE FACTS

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Source: [Top 10 Facts About Giraffes! - Fun Kids - the UK's children's radio station \(funkidslive.com\)](#)

I used some of the giraffe facts from this source to display them on the GiraffeFactsPage of my solution. I used these facts ethically as I did not copy the content word for word from the source.

BEAR FACTS

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Source: [11 cool facts about bears | World Animal Protection](#)

I used some of the bear facts from this source to display them on the BearFactsPage of my solution. I used these facts ethically as I did not copy the content word for word from the source.

IMAGES/ICONS

SETTINGS ICON

Date Retrieved: 08/04/2024.

Application Version Number: 1.0

Image Source: [Gear Icon | Font Awesome](#)

I used this settings icon across several different pages on my application within navbars. I used it because it is a universally recognized icon that can be easily understood by the user. I used it within my application as a picture box which can be clicked on to redirect the user to the settings page of the application. I used this icon fairly as Font Awesome provides free icons for use.

Sign-In ICON

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Download Png File - Windows 10 Person Icon, Transparent Png - PngFind](#)

I used this sign-in/account icon decoratively on the sign in, sign up, forgot password and change account details pages in my application. I used it because it is a universally

recognized icon that can be easily understood by the user. I used this icon fairly as the source provides this image as a free icon for use.

Location Pin Icon

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Location Dot Classic Solid Icon | Font Awesome](#)

I used this icon decoratively on the home page of my application. I used it because it is a universally recognized icon that can be easily understood by the user. I used this icon fairly as Font Awesome provides free icons for use.

PUFFIN IMAGE

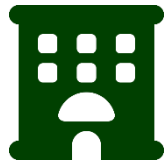

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Download Puffin, Bird, Ocean. Royalty-Free Vector Graphic - Pixabay](#)

I used this icon decoratively on the home page of my application. I used it because it is appropriate and fits the theme of my zoo application. I used this icon fairly as the source provides free icons for use.

Hotel Icon

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Hotel Classic Solid Icon | Font Awesome](#)

I used this icon decoratively on the home page of my application. I used it because the icon can be easily understood and interpreted as a hotel. I used this icon fairly as Font Awesome provides free icons for use.

Information Icon

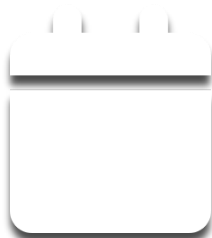

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Circle Info Classic Solid Icon | Font Awesome](#)

I used this icon on the footer of my home page. I used it as a button click event to redirect the user to the zoo information page. I used it because the icon can be easily understood and interpreted as an information icon. I used this icon fairly as Font Awesome provides free icons for use.

Calendar Icon

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Calendar Classic Solid Icon | Font Awesome](#)

I used this icon on the footer of my home page. I used it as a button click event to redirect the user to the booking selection page. I used it because the icon can be easily understood and interpreted as a calendar icon, which implies booking. I used this icon fairly as Font Awesome provides free icons for use.

BOOK Icon

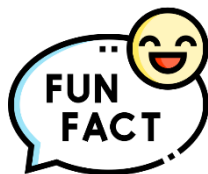

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Book Open Classic Solid Icon | Font Awesome](#)

I used this icon on the footer of my home page. I used it as a button click event to redirect the user to the animal facts page. I used it because the icon can be easily understood and interpreted as a book icon, which implies information which the animal facts page does provide. I used this icon fairly as Font Awesome provides free icons for use.

FUN FACT Icon

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Fun fact - Free communications icons \(flaticon.com\)](#)

I used this icon decoratively on my home page. I used it because the icon can be easily understood and interpreted with the fun fact text. It is placed appropriately on the home form above a fun facts heading. I used this icon fairly as the source provides free icons for use.

Home Icon

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [House Classic Solid Icon | Font Awesome](#)

I used this icon across a range of different pages in my application. It is used as a button click event to redirect the user back to the home page of the application. I used the icon as it is universally used, and it is easy for the user to understand as a back to home button. I used the icon fairly as the source provides free icons for use.

Chevron LEFT icon.

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Image Source: [Chevron Left Classic Solid Icon | Font Awesome](#)

I used this icon across a range of different pages in my application. It is used as a button click event to redirect the user back to the previous page that they were on. I used the icon as it is universally used, and it is easy for the user to understand as a back button. I used the icon fairly as the source provides free icons for use.

Chevron Right icon

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [Chevron Right Classic Solid Icon | Font Awesome](#)

I used this icon across a range of different pages in my application. It is used as a button click event to redirect the user back to the previous page that they were on. I used the icon as it is universally used, and it is easy for the user to understand as a back button. I used the icon fairly as the source provides free icons for use.

MORE OPTIONS icon

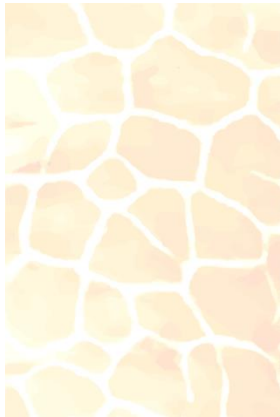

Date Retrieved: 09/04/2024.

Application Version Number: 1.0

Image Source: [More - Free shapes icons \(flaticon.com\)](#)

I used this icon decoratively on the sign in/sign up pages of my application. I used the icon as it is universally used, and it is easy for the user to understand as an icon which represents more options. I used the icon fairly as the source provides free icons for use.

GIRAFFE PRINT BACKGROUND

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Download Giraffe Print, Beautiful Wallpaper, Giraffe Pattern. Royalty-Free Vector Graphic - Pixabay](#)

I used this background decoratively across a range of different pages in my application. It is used as the main background of my application. I used it because it is appropriate and fits the zoo theme. I used the background fairly as the source provides free images for use.

PANDA ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Panda - Free animals icons \(flaticon.com\)](#)

I used this icon across a range of different pages in my application. It is used as a button click event to redirect the user back to the home page. I used the icon as it is the logo of the application, and it is easy for the user to understand as button that can be clicked to return the user to the home page. I used the icon fairly as the source provides free icons for use.

RIGET ZOO ADVENTURES LOGO

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: Made on Canva

I used this logo decoratively on the home page of my application. It is used as an image for my zoo info widget. I used the logo fairly as I designed it myself.

CLOCK ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Clock Classic Regular Icon | Font Awesome](#)

I used this icon decoratively on the zoo info page of my application. It is placed next to text which displays the opening/closing times of the zoo. I used the icon fairly as Font Awesome provides free icons for use.

MAP PLACEHOLDER IMAGE

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [map placeholder - Google Search](#)

I used this background on the zoo info page of my application as a map placeholder. I placed icons on the map as a means of directing the user around the zoo. I used the map placeholder image fairly as I edited it.

WC Logo

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Restroom Classic Solid Icon | Font Awesome](#)

I used this logo on the map on my zoo information page. It is used to pinpoint where the toilets are in the zoo. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

BEAR ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Bear side view silhouette - Free animals icons \(flaticon.com\)](https://www.flaticon.com/free-icons/bear)

I used this icon on the map on my zoo information page. It is used to pinpoint where the bears are in the zoo. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

LION ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Search results for Lion right - Flaticon](https://www.flaticon.com/free-icons/lion)

I used this icon on the map on my zoo information page. It is used to pinpoint where the lions are in the zoo. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

MONKEY ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Monkey - Free animals icons \(flaticon.com\)](https://flaticon.com/free-icons/monkey)

I used this icon on the map on my zoo information page. It is used to pinpoint where the monkeys are in the zoo. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

GIRAFFE ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Search results for Giraffe right - Flaticon](https://flaticon.com/search?from=query=Giraffe+right&from_query=Giraffe+right)

I used this icon on the map on my zoo information page. It is used to pinpoint where the giraffes are in the zoo. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

HOTEL H ICON

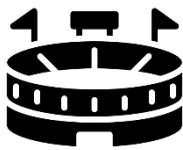

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Find the Perfect Icon for Your Project | Font Awesome](#)

I used this icon on the map on my zoo information page. It is used to pinpoint where the hotel is on the zoo's grounds. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

STADIUM ICON

Date Retrieved: 15/04/2024.

Application Version Number: 1.0

Image Source: [Stadium - Free sports and competition icons \(flaticon.com\)](#)

I used this icon on the map on my zoo information page. It is used to pinpoint where the event center is in the zoo. I used the icon because it is universally recognized and can be easily understood by the user. I used the icon fairly as the source provides free icons for use.

LOCK ICON

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Image Source: [Lock Classic Solid Icon | Font Awesome](#)

I used this icon on the pages of my application where you could change the password of the user. I used the icon decoratively. I used the icon fairly as the source provides free icons for use.

RESET PASSWORD ICON

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Image Source: [Reset password - Free security icons \(flaticon.com\)](https://flaticon.com)

I used this icon on the pages of my application where you could change the password of the user. I used the icon decoratively. I used the icon fairly as the source provides free icons for use.

MONKEY IMAGE

Date Retrieved: 16/04/2024.

Application Version Number: 1.0

Image Source: [Brown Monkey · Free Stock Photo \(pexels.com\)](https://pexels.com)

I used this image on the animal facts and monkey facts page. I used the icon decoratively. I used the image fairly as the source provides free stock images for use.

LION IMAGE
